

RTRN Small Grants Program 2011

Richard Yanagihara, M.D., M.P.H.

*Director, RTRN Research Core
Professor, Department of Pediatrics
John A. Burns School of Medicine*

RTRN is funded by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). Co-funding is provided by the National Institute on Minority Health and Health Disparities, NIH.

Key Dates

FOA release date:	March 3, 2011
Letter of intent deadline:	April 4, 2011
DTCC cost proposal request :	April 15, 2011
DTCC teleconference by:	April 22, 2011
Application deadline:	May 2, 2011
Scientific review period:	May-June 2011
Earliest award date:	July 1, 2011

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Research Centers in Minority Institutions
Translational Research Network

PURPOSE OF THE SMALL GRANTS PROGRAM FOA

- ❖ To provide modest funding to promote inter-institutional collaborations across RCMI grantee institutions
- ❖ To facilitate collaborative research through the infrastructure of the Data and Technology Coordinating Center (DTCC)
- ❖ To foster mentorship of the next generation of RCMI investigators
- ❖ To generate preliminary data for full-fledged NIH grant applications

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Research Centers in Minority Institutions
Translational Research Network

Available Funds

- ❖ \$250,000 for five or more one-year new or renewal collaborative research projects
- ❖ Project budget up to \$50,000
- ❖ Allowable costs: equipment, supplies, travel and other expenses
- ❖ Personnel costs limited to not more than 20% of budget
- ❖ **No provisions for indirect costs**

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Research Centers in Minority Institutions
Translational Research Network

Applicant Eligibility

- ❖ Any RCMI faculty member, holding a doctoral degree and possessing the skills, knowledge and resources to carry out the proposed research
- ❖ At least one mentor or mentee collaborator must be from another RCMI school; other collaborators may include faculty from non-RCMI institutions and/or community partners
- ❖ An applicant may submit only **one** application as principal investigator

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Translational Research Network

Mandatory Letter of Intent

Due: April 4, 2011

Content:

- name(s) of principal investigator(s)
- names and full addresses of lead and collaborating institutions
- brief, one-paragraph project abstract (with three key words and cluster name)

Electronic submission: yanagiha@pbrc.hawaii.edu

Copy: Data and Technology Coordinating Center
dtcc-SGP@rtn.net

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Application Process

- ❖ Use NIH PHS398 form pages (version 06/09)
(<http://grants.nih.gov/grants/funding/phs398/phs398.html>)
- ❖ Five-page limit (one page Specific Aims; four pages Research Strategy); typed single-spaced, using 11-pt Arial on one side of page
- ❖ Electronic submission as *single* pdf file:
yanagiha@pbrc.hawaii.edu
- ❖ Deadline: May 2, 2011, no later than 5:00 p.m. (Hawaii time)

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Research Centers in Minority Institutions
Translational Research Network

Application Requirements

- ❖ Collaboration across two or more RCMI grantee institutions
- ❖ Utilize services of the Data and Technology Coordinating Center (DTCC)
- ❖ Letter of support from DTCC
- ❖ Time table for seeking subsequent or supplemental extramural support
- ❖ Communications and partnership plan
- ❖ Mentoring plan

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Research Centers in Minority Institutions
Translational Research Network

Mentoring Plan is Required

- ❖ Mid-level or senior-level principal applicant (Associate or Full Professor) **must** mentor a junior-level collaborator (Assistant Professor) from another RCMI grantee institution
- ❖ Junior-level principal applicant (Assistant Professor) **must** designate a mid-level or senior-level mentor/collaborator (Associate or Full Professor) from another RCMI grantee institution
- ❖ **All applications must include a mentoring plan**

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Translational Research Network

Other Application Requirements

Not counted in the five-page limit

1. NIH biosketches of PI and key personnel
2. Other support information for PI and key personnel
3. Itemized budget with justification (fp4 and fp5)
4. If applicable, full descriptions of Protection of Human Subjects from Research Risk; Inclusion of Women, Minorities and Children in Research; Care and Use of Vertebrate Animals in Research; and Biohazards and Select Agents
5. For applications involving human subjects, a Targeted/Planned Enrollment Table Format Page **must be included**

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Research Centers in Minority Institutions
Translational Research Network

Letter of Support from DTCC is Required

- ❖ Submit final proposal title and request DTCC letter of support (dtcc-SGP@rtrn.net), no later than April 15, 2011
- ❖ Submit Cost Proposal Request Form (CPR Form) (www.rtrn.net) to DTCC
- ❖ Discuss CPR Form and DTCC services, no later than April 22, 2011
- ❖ Finalize DTCC subcontract for inclusion in application

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Scientific Review Criteria

1. Collaborations and Partnerships
2. Significance
3. Approach
4. Innovation
5. Investigators
6. Environment

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Scientific Review Process

Reviewers:

- RTRN External Advisory Committee
- RCMI External Advisory Committees
- RCMI Principal Investigators and Program Directors
- Other RCMI Faculty

Review Format:

- NIH-type review
- 9-point scoring system

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Translational Research Network**

NIH 9-Point Scoring Scale

Impact	Score	Descriptor	Additional Guidance on Strengths and Weaknesses
High	1	Exceptional	Exceptional strong with essentially no weaknesses
	2	Outstanding	Extremely strong with negligible weaknesses
	3	Excellent	Very strong with only some minor weaknesses
Medium	4	Very Good	Strong but with numerous minor weaknesses
	5	Good	Strong but with at least one moderate weakness
	6	Satisfactory	Some strengths but also some moderate weaknesses
Low	7	Fair	Some strengths but with at least one major weakness
	8	Marginal	A few strengths and a few major weaknesses
	9	Poor	Very few strengths and numerous major weaknesses

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.

Research Centers in Minority Institutions
Translational Research Network

Funding Decision

- ❖ Based on Impact/Priority Scores
- ❖ Preference to applications from RTRN cluster members
- ❖ Preference to applicants from non-RCTR (G12-only) institutions
- ❖ Preference to applications that propose to reduce health disparities
- ❖ Ranking by Protocol Review Subcommittee
- ❖ Final approval by RTRN Steering Committee

RTRN is supported by grant number U54RR022762 from the National Center for Research Resources, National Institutes of Health (NIH). This grant also receives co-funding from the National Center on Minority Health and Health Disparities, NIH.
