Interventional Cardiologist  
Morehouse School of Medicine

Todd Seto, MD, MPH, Cardiologist  
John A. Burns School of Medicine,  
University of Hawaii

# RTRN Cardiovascular Cluster Webinar

## August 16, 2016, 3pm EST

# Predictive Value of Change in SPECT MPI Ejection Fraction From Rest to Stress for Presence of Coronary Artery Disease

# Works-In-Progress

- Reviewing and optimizing the RCC- RI FY 2017 Work Plan
- Designing a formal process to identify and notify investigators about clinical trial opportunities and interface with sponsors
- Designing a formal certification training program for RCMI personnel interested in clinical trials or clinical research
- Optimizing the RCC-RI webpage
- Organizing the RCC-RI workspace for document archival and sharing
- Creation of a data collection tool for Dr. Westney's pilot project
- Facilitating the revision of the IRB Harmonization Process and the Committee's teleconferences
